

# List of Clubs Affiliated to the BMC

Climbing, hill walking and mountaineering are the principle objectives of the clubs featured in the list. They are all based in and controlled by their own members. All club applications are submitted to the BMC National Council for approval.

Nine areas form the democratic base of the BMC, and serve as local forums for discussion and debate about mountaineering issues. The clubs are listed under the relevant area, but usually accept members from other areas. There is a small number of national clubs and these are listed separately. The contact for each club listed here will normally be able to supply you with details of their club membership requirements, activities, meeting places, etc.

The list was last updated on the date printed at the bottom of the following page.

## Explanation of Categories:

B - Club accepts beginners and novices

A - Club meets at venues that have facilities that are accessible to those with physical disabilities

F - Club has a family membership category

Y - Club accepts applications from those under the age of 18

### Polaris Mountaineering Club

Club Secretary - Mr JE Parker

17 Brookfields, West Wellow, Romsey, Hants, SO51 6GS

The P.M.C. has been established for over 60 years and throughout this time has been a very welcoming and friendly club with 60 or so members spread throughout the U.K.

Polaris operates as a vehicle for like-minded rock climbers and mountaineers to enjoy the benefits of a club without the need for regular contact.

Some members attend almost every meet, others only in the summer or winter, whilst some only attend very occasionally and are still given the warmest welcome.

We hold meets on average every two weeks throughout the U.K. at weekends, with three or four week long meets (e.g. Scottish winter, Scottish summer, Pembroke, Lundy) camping in the summer and using huts in the winter. These meets are throughout the U.K. and are designed for mountaineers and traditional rock climbers.

### Lancashire Caving & Climbing Club

Club Secretary - Mrs A L Athroll  
9 Kendal Avenue, Barrowford, Lancashire, BB9 6EY  
Website: [www.lccc.org.uk](http://www.lccc.org.uk)

"The Lancs" is an old-established and very active club with currently around 200 members. A few of our climbing members are also active underground, but most members are predominantly into climbing of all varieties.

We pride ourselves on being non-elitist, non-sexist, non-ageist – we are the friendly club and don't have cliques! We have members in all parts of the north-west, and opportunities for climbing every week-end, (and caving meets twice a month). In summer there is a weekly programme of evening meets.

We have a hut near to Dow Crag and another below the Moelwyn Craggs in North Wales. There is a Newsletter and a lively bi-annual Journal.

Further details and an application form are to be found on our web site at [www.lccc.org.uk](http://www.lccc.org.uk) (where you can read our current newsletter and meets list) or you can contact the Membership Sec. on 01204 63176.
